

KARIMGANJ COLLEGE

NOTICE

Date: 03.08.2026

This is hereby notified for the information of all students of Karimganj College, Sribhumi that the Government of Assam has launched the **Brikhya Bandhu Programme**, a joint initiative of the Forest Department and the Education Department to promote environmental conservation through the active participation of students in tree plantation, protection and long-term care.

All students of the College are invited to participate in this unique environmental initiative. As per the programme guidelines, each participating student will adopt and establish six seedlings, undertake their **plantation and maintenance**, and upload geo-tagged photographs through the designated portal/mobile application.

Students willing to participate are asked to register their names with **Dr. Malabika Bhattacharjee** (HOD, Department of Ecology and Environmental Science), **on or before 9 August 2026**, so that their online registration can be completed within the stipulated time. **Students should provide the following details at the time of registration:**

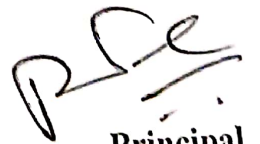

- Full Name
- Class/Semester
- Department
- Mobile Number
- Email ID

Implementation framework & timeline for activities:

Student Registration → Seedling Distribution → BB Plantation → Geo-tagging →
Verification → Certification
